

Subject to the exclusions set forth below, PURO Lighting warrants its PURONet UV Disinfection Control System to be free from defect in material and workmanship for a period of two (2) years from the date of shipment from PURO Lighting's facilities.

Emergency batteries/inverters, replaceable consumables (e.g., lithium batteries, printers, cartridges), computer hardware, mobile computing devices, software (other than firmware), commissioning systems, third party gear, installation services, remote programming, or other professional services, are excluded from this Statement of Limited Warranty. Emergency batteries/inverters, installation services, remote programming, and other professional services provided by PURO Lighting and its affiliates are warranted separately. Manufacturers of other items excluded from this Statement of Limited Warranty are solely responsible for any costs or expenses related to any claims, repairs, or replacements associated with any such component(s).

Access to the software associated with the Product(s) maybe subject to the terms of an End-User License Agreement ("EULA") and warranty terms applicable to such software are set forth in the applicable EULA. PURO Lighting licenses third party software "as is" with no express or implied warranty of any kind, including that the operation of the software or firmware or any portion thereof will be interruption or error free.

This Statement of Limited Warranty ("Warranty") applies only when the Product(s) are installed in applications in which ambient temperatures are within the range of specified operating temperatures. PURO Lighting will not be responsible under this Warranty for any failure of the Product(s) that results from external causes such as: acts of nature; physical damage; exposure to adverse or hazardous chemical or other substances; use of reactive cleaning agents and/or harsh chemicals to clean the Product(s); external site conditions, including without limitation, heavy tree cover, cellular, satellite or radio interference, environmental conditions; vandalism; terroristic acts; fire; power failure, improper power supply, power surges or dips, and/or excessive switching; induced vibration; animal or insect activity; fault or negligence of purchaser, any end user of the Product(s) and/or any third party not engaged by PURO Lighting; improper or unauthorized access or use, installation, handling, storage, alteration, maintenance or service, including failure to abide by any product classifications or certifications, or failure to comply with any applicable standards, codes, recommendations, product specification sheets, or instructions of PURO Lighting, failure to provide requested data or inadequate data provided by end user; use of the Product(s) with components, processes or materials supplied by any end user or third party; or any other occurrences beyond PURO Lighting's reasonable control. PURO Lighting also will not be responsible under this Warranty for any substantial deterioration in the Product finish that is caused by failure to clean, inspect or maintain the finish of the Product(s). If the Product(s) are used on existing foundations, anchorages or structures, the end user is solely responsible for the structural integrity of such existing foundations, anchorages or structures and all consequences arising from their use. Adequate records of operating history, maintenance, and/or testing must be kept by the end user and provided to PURO Lighting upon request to substantiate that the Product(s) have failed to comply with the terms of this Warranty. Neither polycarbonate nor acrylic material used in the Products is warranted against yellowing, as yellowing may naturally occur over time due to normal aging. This Warranty does not cover cost that may be incurred in connection with changes or modifications to the Product(s) required to accommodate site conditions and/or faulty building construction or design. In addition, this warranty does not cover costs resulting from installation of third party supplied components, failures of third party supplied components, or failures of PURO Lighting supplied Product(s) caused by a third party supplied component. This Warranty only applies to the Product(s) when sold for commercial purposes and does not apply to any consumer product(s), which are governed by separate limited warranty terms. This Warranty does not extend to the achievement of any potential energy-savings and/or efficiency expectations.

If the Product(s) fail to comply with the terms of this Warranty, PURO Lighting, at its option, will repair or replace the Product(s) with the same or a functionally equivalent Product(s) or component part(s). This Warranty excludes labor and equipment required to remove and/or reinstall original or replacement parts. This Warranty extends only to the Product(s) as delivered to, and is for the sole and exclusive benefit of, the original end user of the Product(s) at the original location. This Warranty may not be transferred or assigned by the original end user. The repair or replacement of any Product(s) or component part within the Product(s) is the sole and exclusive remedy for failure of the Product(s) to comply with the terms of this Warranty and does not extend the Warranty period. Warranty claims regarding the Product(s) must be submitted in writing within (30) days of discovery of the defect or failure to an authorized PURO Lighting post-sales or customer service representative. Product(s) or component part(s) may be required to be returned for inspection and verification of non-conformance by PURO Lighting, but no Product(s) or component part(s) will be accepted for inspection, verification or return unless accompanied by a "return authorization number" which can be obtained only from an authorized PURO Lighting post-sales or customer service representative. PURO Lighting is not responsible for any cost associated with ongoing testing with regard to this Warranty. PURO Lighting is not responsible for any costs and expenses incurred in connection with shipment of Product(s) to PURO Lighting, but PURO Lighting shall bear all cost and expense incurred in connection with shipment of replacement Product(s) to the customer.

THE FOREGOING WARRANTY TERMS ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, AND PURO LIGHTING EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, RELATING DIRECTLY OR INDIRECTLY TO THE PRODUCT(S), WHETHER ORAL, WRITTEN, OR ARISING BY COURSE OF DEALING OR USAGE OF TRADE, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO SYSTEM INTEGRATOR, DISTRIBUTOR, AGENT, OR OTHER SUPPLIER OF PURO LIGHTING PRODUCTS HAS THE AUTHORITY TO MODIFY OR AMEND THIS WARRANTY WITHOUT EXPRESS WRITTEN AUTHORIZATION FROM PURO LIGHTING.

The total liability of PURO Lighting on any and all claims of any kind, whether in contract, warranty, tort (including negligence), strict liability or otherwise, arising out of or in connection with, or resulting from, PURO Lighting's performance or breach of this Warranty, or from PURO Lighting's sale, delivery, resale, repair, or replacement of any Product(s) or the furnishing of any services, shall in no event exceed the purchase price
